

## 2018 Network and Knowledge Seminar Series

What is cryptocurrency? What is blockchain technology? What's it good for?  
Join us as four local computer entrepreneurs and self-identified geeks  
- Ray Ontko, Nick Fankhauser, Chris Hardie and Eric Dimick Eastman -  
provide a simple explanation followed by a discussion of  
why (and whether) you should care.

**Friday, April 27**

**Innovation Center - 814 East Main Street, Richmond**

Buffet breakfast and networking begin at 7:30 a.m.

**Cost is \$10.00**

**[Your reservation is requested by April 20](#)**
