The Richmond Day Nursery would like to thank the Wayne County Foundation for selecting us to participate in the Challenge Match Grant this year.

The Richmond Day Nursery is a part of our Depot District and Richmond history. It is drawing closer to celebrating 100 years in this community. The money we earned from this grant will go a long way in helping to maintain our beautiful, historic building on North 10th Street, providing enrichment and educational development experiences for our children, meeting state requirements in safety, staffing, training, nutrition and recreation and ensuring quality child care that is affordable for our families. It helps us support and invest in our children at an early age. This helps pay social, educational and economic dividends over the course of a child's lifetime.

We appreciate so much the opportunity to participate in a very worthwhile grant process by Wayne County Foundation. We also want to thank our very generous donors who helped make this project a success for us. Our Richmond community has always been a very generous one for worthwhile endeavors and projects.

Carolyn Bryant,
