The Wayne County Foundation has chosen 35 area organizations to participate in two weeks of intense fundraising called the Challenge Match.

The one-to-one match offers the possibility of generating \$338,500 or more for non-profit organizations throughout Wayne County. The program is designed to help organizations develop new donors and encourage increased giving from regular contributors.

The Challenge Match program runs through Nov. 25. Qualifying contributions to the participating organizations during that period will trigger matching dollars from the foundation, within certain limits. Learn more at www.waynecountyfoundation.org or call (765) 962-1638.

Participating agencies will be featured in future editions of the Palladium-Item.
