The Wayne County Foundation has chosen 35 area organizations to participate in two weeks of intense fundraising called the Challenge Match.

The one-to-one match offers the possibility of generating \$338,500 or more for non-profit organizations throughout Wayne County. The program is designed to help organizations develop new donors and encourage increased giving from regular contributors.

The Challenge Match program runs from Nov. 12-25. Qualifying contributions to the participating organizations during that period will trigger matching dollars from the foundation, within certain limits. Learn more at www.waynecountyfoundation.org or call (765) 962-1638.

Participating agencies will be featured in future editions of the Palladium-Item.
