

# Richmond Day Nursery grateful to Wayne County Foundation

The board of directors, staff and families of Richmond Day Nursery would like to express their appreciation to **Wayne County Foundation** for the grant we received to help with painting the exterior of the building.

Our lovely building on North 10th Street was constructed in 1928 for the Day Nursery and has served as a loving, educational childcare center for generations of Wayne County children.

We are grateful for the grant from Wayne County Foundation to help preserve our building.

Thank you.

Carolyn Bryant,

Director
