

Mansion House needing help to pay for roof project

Historic Centerville Inc. recently received financial support from several organizations to help preserve the buildings and the historic collections.

We would like to thank Whitewater Valley REMC, US Bank, First Bank and Main Source Bank for monies donated to repair the roof and interior walls that had been damaged by a roof leak. The **Wayne County Foundation** gave monies for sealing the logs on the first Wayne County Courthouse and also for archival supplies and signage for the rooms in the Mansion House Inn. A new outdoor sign was placed on the property thanks to the **Wayne County Foundation**. Thanks to Joe Elstro of Elstro Construction for doing the roof repair.

We are currently in need of funds for the driveway replacement and a complete new tear-off and roofing for the Mansion House Inn's main building. The buildings are located at 214 E. Main St., Centerville, Ind.

Anyone wishing to become a member or to donate to our projects may call Ruth Bane, 855-5450, for further information. Thanks again to all of our supporters. It is greatly appreciated as we are a non-profit organization.

Ruth Bane,

Centerville, Ind.
