

Thanks for fresher look given to brick gateway signs

Ten brick gateway signs have graced the entrance to Wayne County, Richmond, Centerville and Fountain City since 1994 welcoming visitors and new businesses to "our community."

Unfortunately time and weather had taken their toll over the years and these edifices had begun to show their age.

Thanks to Beard Masonry (who built them originally), Seal Painting, Brower Gardens, Holland Electric and Quality Cut Lawn Care, they are back to near new condition.

I want to personally thank The City of Richmond, Mayor Sally Hutton, **Wayne County Foundation**, First Bank Richmond, West End Bank, J.M. Hutton & Co., Wayne County Tourism Bureau, Harrington-Hoch Insurance, Pamela Passmore Properties, Vectren Energy, First Merchants Bank, Friends Fellowship Community, Carroll Electric Inc., Thor Construction Co., Wayne Bank & Trust, Oberle & Associates, Smith Dairy - Wayne Division, Abstracts of Richmond, Paul Casket Co., Richard Hamm, Wayne County Chamber of Commerce, Town of Fountain City, Perfect Circle Credit Union, Richmond Rotary Club and the Centerville Lions Club for their generous financial contributions and for helping to keep the "welcome mat" out !
